

Climbing: Open Group

Tailor Made

Our Open Group Booking rock climbing course is one of our most popular rock climbing courses. On this course you can cover any of the content of our other climbing courses, or none of it and just climb and have fun. On the morning of the course our expert instructors will quickly gauge your ability level; and deliver a course which suits your needs. Whatever you choose to do this will be an extremely memorable day out where you'll learn vast amounts of techniques and have a lot of fun in the process. This an open booking so you may be climbing with other people you don't know.

This course will be very accessible and you've no need to feel worried or intimidated, the course will be expertly tailored to suit your needs. You will be coached by highly knowledgeable, local, qualified instructors who will put you at ease. Our business was built upon taking brand new climbers or those who have climbed indoors to real rock. As a result we have created hundreds of new rock climbers. Whatever your ability we can teach you how to climb.

All courses take place in the beautiful and dramatic gritstone edges of the Peak District National Park, and close to many places to stay, eat and drink.

The course will include:

- Foot / friction techniques
- Body position and balance
- Movement
- Basic knots and belaying / safety
- Climbing confidence

- Overview of the climbing environment
- Climb as much rock as possible!
- Ongoing coaching

This course can be booked privately where no one else will join you, or a cheaper option is to book as part of a group where you may not know the other participants. Up to a maximum of 6 people.

Location:

This course will take place on the Eastern Gritstone Edges of the Peak District unless you request otherwise. It's most likely you will meet us in Hathersage, S321BB.

Equipment:

All equipment is included in the price. We can loan you rock climbing shoes but we can't always promise a perfect fit as rock climbing boots have very specific fit. You should wear trainers to this activity and not boots.

What to bring:

Lots of warm clothes and waterproof clothes if you have them. Even if you are booking for summer, you need to bring warm clothes as the weather here can be changeable and we will be working higher up where it's colder. Bring food and a drink. Bring suncream.

What to expect from our instructors

Above all, our instructors are lifelong enthusiasts of their chosen discipline. Regardless of how focussed you are about learning and improving, outdoor activities are ultimately about having fun and de-stressing from life. Our instructors are well aware of this and will deliver your sessions in a fun, engaging and relaxed way. Our instructors are the best in the business and are selected not only for their vast experience, but also for their calm, approachable manner and ability to relate well to people. You will not be shouted at, bossed around or made to feel small – you will be supported and encouraged all the way.

Transport:

We cannot offer transport and you will need to use your own transport. Unfortunately public transport in the Peak District National Park on all but the biggest few roads is almost non-existent, so you will need a car to get around.

Environmental
