What to expect from our instructors

Above all, our instructors are lifelong enthusiasts of their chosen discipline. Regardless of how focussed you are about learning and improving, outdoor activities are ultimately about having fun and de-stressing from life. Our instructors are well aware of this and will deliver your sessions in a fun, engaging and relaxed way. Our instructors are the best in the business and are selected not only for their vast experience, but also for their calm, approachable manner and ability to relate well to people. You will not be shouted at, bossed around or made to feel small – you will be supported and encouraged all the way.

Transport:

We cannot offer transport and you will need to use your own transport. Unfortunately public transport in the Peak District National Park on all but the biggest few roads is almost non-existent, so you will need a car to get around.
